PACT - Prison Advice & Care Trust: Pact's work is about recognising that real human relationships- family, community; a sense of belonging - can give hope and are fundamental to why people commit crime, and why they might stop. On this Day of Prayer for Prisoners and their Dependants, we must give people HOPE to lead a better life.

NOTICES

ASSISTED SUICIDE: The DPP's (Director of Public Prosecutions) provisional guidelines have now been published and are subject to a public consultation that will close on 16 December 2009. There are a few worrying features: a neutral position between prosecution and non-prosecution; proposals that are open to question and could put vulnerable people at risk of harm especially in cases of terminal or degenerative illness or the incurably disabled. Please pick up a form today.
